Introduction

This user guide outlines the steps to follow when applying for a Trades Recognition Australia (TRA) skills assessment for the TSS Skills Assessment Program (TSS Program) and Offshore Skills Assessment Program (OSAP).

Selecting a TRA-Approved RTO

When applying for any of TRA's programs, you are encouraged to read the relevant Applicant Guidelines on the TRA website (<https://www.tradesrecognitionaustralia.gov.au>).

The first step in the TSS Program or OSAP is to select a TRA-approved RTO to conduct your skills assessment. This can be done using '[RTO Finder](#)' on the TRA website.

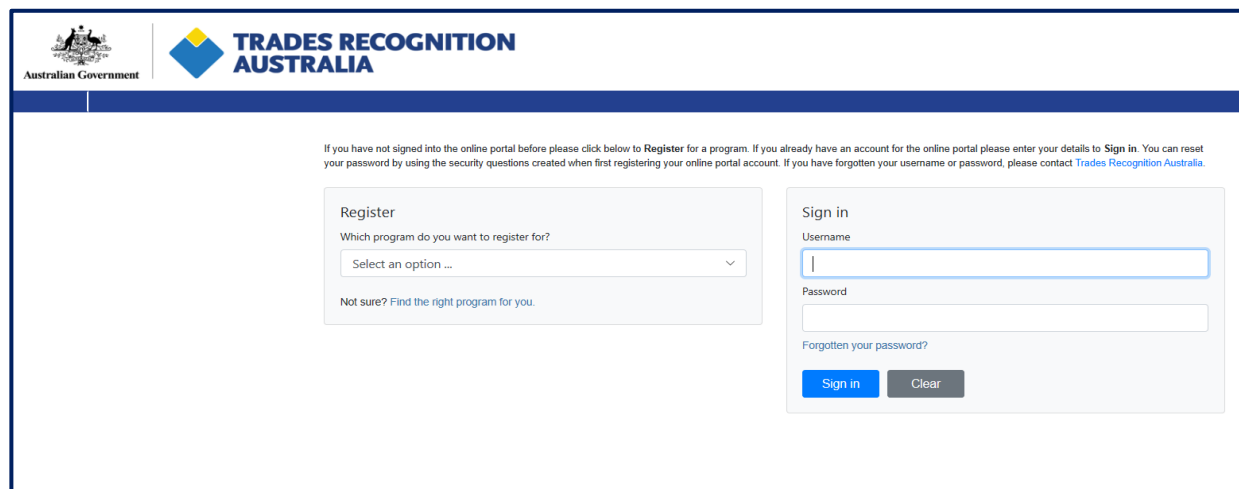

Once you have selected a TRA-approved RTO, you should contact the RTO to confirm if you are eligible for an assessment, discuss the program requirements, and to find out where the RTO can conduct the skills assessment i.e. the Region and Country where the skills assessment will take place. You must formally accept the location of the assessment before your assessment can be initiated.

If you are eligible, and decide to proceed with a skills assessment, the TRA-approved RTO will provide you with an RTO Assessment Payment Identifier Code (payment code) that you should input into the [TRA Online Portal](#) to make payment for your assessment.

Registering an account

You should register an account only after you have confirmed with your RTO that you wish to proceed with an assessment.

You can register an account by using the TRA Online Portal (<https://extranet.employment.gov.au/trades/Interface/Pages/Security/Logon.aspx>) and selecting the skills assessment program you have chosen from the drop-down menu under *Register*.

The screenshot shows the TRA Online Portal interface. At the top left, there is the Australian Government logo and the Trades Recognition Australia logo. Below the logos, there is a navigation bar. The main content area contains a registration and login form. The registration section has a dropdown menu for selecting a program and a link for finding the right program. The login section has fields for Username and Password, a link for forgotten passwords, and buttons for Sign in and Clear.
