

Job Ready Program – Skills Progress Report (SPR) Electrical Engineering Technician (313232)

As a participant in the Job Ready Program, you need to give Trades Recognition Australia (TRA) an update on your progress after six months of employment under the program.

Why you need to complete the Skills Progress Report (SPR)

It allows you to <u>assess how you are progressing</u> in your workplace and report on your skills development.

It is an <u>opportunity for you to check with your employer that you are on the right track</u> for a successful Job Ready Workplace Assessment (JRWA).

It lets us know what you are doing in your workplace.

Your completed SPR will be given to the person who will assess your skills and how you go about your work. In the JRWA the assessor will ask you questions about the information given in this form, so it is important that your answers are accurate.

How to fill in the SPR

Tell us about your *trade* skills (the tasks and the work you do; the tools and equipment you use); and your *workplace* skills (how you communicate and work with others; how you get the work done). Answers must be about the work that you have done in this workplace (not work done in a previous workplace).

For each question, please answer either:

- Yes (Yes, I am doing this or have done this), OR
- **No** (No, this is not something I have done or will be doing in this workplace) <u>OR</u>
- **Not Yet** (this is something that I will be doing in this workplace but have not yet had the opportunity to do it).

If you or your supervisor/employer want to give us more information this can be written under 'comments'.

How to provide your completed SPR

Log in to the <u>TRA Online Portal</u> and upload your completed SPR in PDF format using the *Document Uploads* link.

What happens if your supervisor or employer changes

Let us know in Section 2 if your supervisor has changed.

If you have left your employer, please get your previous employer or supervisor to sign an SPR for the work you did there.

When you have a new employer, please register your new employer in the <u>TRA Online Portal</u> as soon as possible. You will need to upload a completed Employment Verification Report (EVR) for your new employer. EVRs can be downloaded from <u>www.tradesrecognitionaustralia.gov.au</u> You do **not** have to pay a fee to register a new employer.
