

# Job Ready Program – Skills Progress Report (SPR) Telecommunications Linesworker (ANZSCO 342413)

As a participant in the Job Ready Program, you need to give Trades Recognition Australia (TRA) an update on your progress after six months of employment under the program.

# Why you need to complete the Skills Progress Report (SPR)

It allows you to <u>assess how you are progressing</u> in your workplace and report on your skills development.

It is an <u>opportunity for you to check with your employer that you are on the right track</u> for a successful Job Ready Workplace Assessment (JRWA).

It lets us know what you are doing in your workplace.

Your completed SPR will be given to the person who will assess your skills and how you go about your work. In the JRWA the assessor will ask you questions about the information given in this form, so it is important that your answers are accurate.

### How to fill in the SPR

Tell us about your *trade* skills (the tasks and the work you do; the tools and equipment you use); and your *workplace* skills (how you communicate and work with others; how you get the work done). Answers must be about the work that you have done in this workplace (not work done in a previous workplace).

For each question, please answer either:

- Yes (Yes, I am doing this or have done this), OR
- **No** (No, this is not something I have done or will be doing in this workplace) <u>OR</u>
- **Not Yet** (this is something that I will be doing in this workplace but have not yet had the opportunity to do it).

If you or your supervisor/employer want to give us more information this can be written under 'comments'.

# How to provide your completed SPR

Log in to the <u>TRA Online Portal</u> and upload your completed SPR in PDF format using the *Document Uploads* link.

# What happens if your supervisor or employer changes

Let us know in Section 2 if your supervisor has changed.

If you have left your employer, please get your previous employer or supervisor to sign an SPR for the work you did there.

When you have a new employer please register your new employer in the <u>TRA Online Portal</u> as soon as possible. You will need to upload a completed Employment Verification Report (EVR) for your new employer. EVRs can be downloaded from <u>www.tradesrecognitionaustralia.gov.au</u> You do **not** have to pay a fee to register a new employer.

# **Section One: JRP Participant Details**

TRA Reference Number		
Participant's Name		
Are you still employed with this employer?	☐ YES	□NO
If NO, what date did you finish (dd/mm/yyyy)?		
Are you working as a Telecommunications Linesworker?	☐ YES	□ NO
If NO, what date did this change and what is your current occupation/job?		
Section Two: Employer/	/Nominated Supervise	or Details

Is this a new supervisor?	□ YES	□NO
Do you want your supervisor details updated?	☐ YES (The change is permanent)	□ NO (The change is temporary)

## **Section Three: Work Performed by JRP Participant**

This SPR covers the period	Start Date	End Date
between (dd/mm/yyyy):		

Telecommunications Linesworker [342413]: Telecommunications Linesworkers install, maintain and repair external telecommunication equipment such as aerial lines, conduits and underground cables, radio and mobile phone antennae, and limited items of terminal equipment.

**Note**: During your workplace assessment you will be asked to demonstrate the skills you have developed in the workplace. You will also need to talk about and understand other tasks and duties involved in the occupation even if you are not doing them regularly in your current workplace.

Please tick ( $\checkmark$ ) the skills you have demonstrated over the period covered by the SPR. Each question must have a response: 'Yes' (Y), 'No' (N), or 'Not Yet' (NY).

### **Trade Skills**

What I did/am doing at work- essential tasks and duties	Υ	N	NY	Comments
Installing and maintaining external telecommunication equipment such as aerial lines, conduits and underground cables				
Repairing and replacing damaged or faulty telecommunication equipment				
Installing and maintaining radio and mobile phone antennae				
Testing and troubleshooting telecommunication equipment to identify and resolve issues				
Performing routine maintenance on telecommunication equipment				
Working at heights on a range of telecommunications structures, such as poles, towers and masts
