The Migration Skills Assessment Program

Section 1. Program Information

1.1. Introduction to Trades Recognition Australia

Trades Recognition Australia (TRA) is a business unit located within the Australian Government Department of Education, Skills and Employment. It is the relevant skills assessing authority for nominated occupations under the *Migration Regulations 1994*.

TRA skills assessments are intended to ensure that a successful applicant is able to perform at the required skill level for their nominated occupation. The skills assessments also provide an assurance to government and to the individual that their training and experience is relevant and appropriate for the Australian labour market.

TRA operates a number of different skills assessment services which are based on an applicant's occupation, country of passport, where they studied and the type of visa they are seeking.

1.2. Program objective

The Migration Skills Assessment (MSA) Program is a documentary based skills assessment of an applicant's qualifications and employment history to determine comparability with Australian standards for a skilled worker in the nominated occupation. The objective is to ensure successful applicants can contribute to Australia's skilled workforce.

The MSA Program is for people applying for a permanent skilled migration visa in occupations and countries that are not required to be assessed under other TRA programs (for more information on eligibility please refer to Section 2).

Note: TRA does not award Australian qualifications, provide occupational registrations or occupational licences. The applicant will need to make their own enquiries to determine whether they need to meet any employment, licensing or qualification requirements in order to work in the nominated occupation within Australia.

1.3. Applicant Guidelines

These Guidelines describe the MSA Program and outline the eligibility requirements in applying for a skills assessment under the MSA Program.

You must read the eligibility requirements before starting an application. If you do not understand any part of the eligibility requirements, please contact TRA at traenquiries@dese.gov.au

Before submitting your application, you must check with the Department of Home Affairs (Home Affairs) (www.homeaffairs.gov.au) to ensure your visa pathway requires a skills assessment, and that TRA is the correct assessing authority for your nominated occupation.

These Guidelines do not provide information on visas or points requirements for migration. All enquiries relating to visa and migration requirements must be directed to [Home Affairs](#).

TRA reserves the right to amend these Guidelines as necessary. Information about changes will be

documented in the Change History Table in Section 5 and posted as a news item on the TRA website www.tradesrecognitionaustralia.gov.au

1.4. How to apply

To apply for the MSA you must register through the [TRA Online Portal](http://www.tradesrecognitionaustralia.gov.au) via the TRA website www.tradesrecognitionaustralia.gov.au. You will be asked to create a username and password. Diagram 1 below provides an overview of the online application process.

Diagram 1 – MSA application process

An application can only be lodged online through the [TRA Online Portal](http://www.tradesrecognitionaustralia.gov.au). From 18 March 2020 onwards, application documents emailed to TRA will not be accepted or processed.

You may nominate a migration agent or representative to act on your behalf during the skills assessment process. You do this by completing the 'Agent or Representative' section of the online application form.

All applications submitted to TRA must be decision ready. Decision ready means all the mandatory fields in the [TRA Online Portal](http://www.tradesrecognitionaustralia.gov.au) are completed, all documents uploaded as required under Section 2 of these Guidelines, and the mandatory application fee is paid.

1.4.1 Document requirements

Section 2 of the Guidelines provides a detailed overview of the program requirements and processes. Please note that if your application is not complete and decision ready, you risk your assessment being unsuccessful. It is you and /or your agent's responsibility to make sure the application is decision ready.

Please ensure you have original colour scans of:

- passport identification page
- qualification/s
- academic transcripts for each qualification
- a completed *Employer Template* for each employment period claimed
- pay evidence for each period of employment claimed
- evidence of self-employment (if applicable)

Your documents must be scanned in full colour as a .pdf and the quality must be at least 150 dots

per inch (dpi). The total maximum file size for each document must not exceed 10mb.

Please note, TRA cannot accept documents that are sent through file sharing platforms, such as Google Drive and Dropbox, and your application must not contain documents that are locked or password protected.

Please read the instructions in the online portal carefully to make sure you have met all requirements before submitting your documents.

1.4.2 Documents not in English

If your application documents are not in English, you must also provide an English translation of the documents.

- ***Translating documents in Australia***

Acceptable translations of documents in Australia can be obtained from translators accredited with the National Accreditation Authority for Translators and Interpreters (NAATI). A list of approved translators can be found on NAATI's website www.naati.com.au. Translations must include the translator's name, NAATI identification number and accreditation status.

Please check the translator's accreditation by either calling NAATI on +61 2 6260 3035 or asking to see the translator's letter or certificate of accreditation in the language you need.

- ***Translating documents outside Australia***

If you have documents that were translated outside Australia, the translator must be approved by the authorities in the country where the translation was made. Contact your nearest Australian Embassy, High Commission or Consulate for advice if you are unsure of the process.

Overseas translations must be on the organisation's letterhead and include an official stamp. The translator's name (all in block letters), signature and contact telephone number must be legibly printed below the signature. This information is required so that TRA can contact the translator if necessary to verify the translated documents.

1.5. Fee Schedule

Assessment Service	Fee
Migration Skills Assessment	\$1000
Migration Skills Assessment Review	\$900

The fees that TRA charges under its programs are specified in a legislative instrument made under sub regulation 5.40(1) of the *Migration Regulations 1994* (see: [Migration \(LIN 19/034: Fees for Assessment of Qualifications and Experience\) Instrument 2019](#)).

Fee schedules are subject to change. TRA will give reasonable notice of any proposed fee increases. Notices regarding proposed fee increases will be published on the TRA website and in the relevant program guidelines.

dollars and instructions on how to pay are provided online when you apply.

After payment, a printable receipt will be displayed and a copy will be sent to the email address nominated in your application. Please retain the email receipt as evidence of payment.

1.5.1. Fee refunds

Refunds will not be provided should you choose to withdraw your application.

The circumstances in which TRA will refund a payment are detailed in the *TRA Payment and Refund Policy* under Forms & Policy on the TRA website www.tradesrecognitionaustralia.gov.au.

Section 2. Program requirements and processes

2.1. Eligibility

You are eligible to apply for the MSA program if your nominated occupation is:

- listed on the Medium and Long-term Strategic Skills List (MLTSSL) or the Short-term Skilled Occupations List (STSOL) on the Home Affairs website www.homeaffairs.gov.au and TRA is the relevant skills assessing authority
- directly relevant to your qualification and/or apprenticeship
- directly relevant to your employment.

You are not eligible for the MSA program if you are:

- an applicant from a specified country of passport and occupation, which requires a skills assessment under the TRA [Offshore Skills Assessment Program](#)
- seeking an assessment for one of the following licensed occupations: Air-conditioning and Refrigeration Mechanic, Electrician (General), Electrician (Special Class) and Plumber (General). Please refer to the TRA [Offshore Skills Assessment Program](#)
- applying for a Temporary Graduate visa (subclass 485). Please refer to the TRA [Job Ready Program](#)
- applying for a Temporary Skill Shortage visa (subclass 482). Please refer to the TRA [TSS Skills Assessment Program](#)

2.2. Qualifications

2.2.1. Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is the national policy for regulated qualifications in Australian education and training. It incorporates the qualifications from each education and training sector into a single, comprehensive, national qualifications framework. TRA will determine whether your qualification is comparable to the relevant AQF qualification and level for your nominated occupation.

The relevant AQF qualification for occupations assessed by TRA can be found on the *Australian Qualifications by Occupation* document on the MSA [Frequently Asked Questions page](#) of the TRA website.

2.2.2. Qualification documents

Your application must include evidence of formal training and training outcomes that can be considered comparable to the AQF qualification for your nominated occupation. The following documents must therefore be uploaded with your online application:

- final qualification/s or apprenticeship certificate/s or award/s
- a full academic transcript or other documents that include the start and end date of your training and details of the program of study
- apprenticeship documents such as the contract of apprenticeship, journal or any other relevant document from your employer, governing body or training institution relating to your apprenticeship (if applicable).

The following items will not be accepted as a substitute for a qualification:

- occupational licences
- trade tests not supported by comparable and verifiable formal training
- short course certificates such as single day or single subject training
- work experience.

2.2.3. Qualification verification and assessment

When assessing and verifying your qualification/s TRA considers the quality, level and relevance of the qualification as outlined below.

- **Quality**

Your qualification/s must be nationally recognised in the country of issue. TRA will use various assessment sources to verify your training was accredited and regulated by the appropriate governing body in the country of issue.

- **Level**

Australian qualifications are awarded at different levels on the AQF, therefore TRA must be able to determine that your qualification is comparable to the relevant AQF qualification and level for your nominated occupation. TRA uses various internal and external assessment sources to determine the comparable level of your qualification.

- **Relevance**

TRA compares the content of your training (transcripts, syllabus etc.) to the relevant AQF qualification level to ensure your training is directly relevant to your nominated occupation.

If TRA is unable to verify your qualification/s meet all of these requirements, TRA will not be able to determine you hold a qualification that is comparable to the AQF qualification for your nominated occupation. You may be contacted to provide additional evidence, or asked to obtain verification of the qualification from the training institution or authority that issued the qualification. The training institute or authority will need to provide the verification in electronic format directly to TRA.

Please note the provision of a document or other information does not guarantee that your qualification will be recognised.

2.3. Employment

2.3.1. Tasks and Duties

TRA refers to the Australian New Zealand Standard Classification of Occupations (ANZSCO) to compare the tasks and skills undertaken in your employment experience with those expected in your nominated occupation in Australia. The ANZSCO is a skills-based classification system used to classify all occupations and jobs in the Australian and New Zealand labour markets.

2.3.2. Employment with an employer

An *Employer Template* must be completed for each employment arrangement you wish to claim in support of your application. For example, if you have employment arrangements for two employers, you are required to provide two *Employment Templates*. The template/s must be completed by your employer or manager, and include contact details that allow TRA to confirm the business exists and operates as claimed.

TRA must be able to confirm the contact information provided in the *Employer Template* is linked to the business. TRA must also be able to confirm the business functions in a way that supports the duties and tasks you undertake in your nominated occupation.

Tasks and duties listed in the *Employer Templates* must not be copied from external sources such as ANZSCO or other third party sources.

The *Employer Template* can be downloaded from the online portal and on the [Migration Skills Assessment](#) page of the TRA website.

2.3.3. Self Employment

If you are self-employed, you must select the '*Self-Employment*' option in the employment type field in the TRA online portal. You must complete this section for each period of self-employment you are claiming. TRA must be able to confirm the contact information provided in your application is linked to the business. The business must be able to be verified as functioning in a way that supports the duties and tasks you undertake in your nominated occupation.

Tasks and duties listed in your application must not be copied from external sources such as ANZSCO or other third party sources.

2.3.4. Employment time periods

TRA considers full-time employment as ongoing employment working the required number of hours considered full-time in the country where the employment was undertaken. Fair Work Australia considers full-time employment in Australia as 38 hours per week, unless a particular industrial award specifies otherwise.

Employment completed on a part-time basis will be considered on a pro-rata basis. For example, if you have completed 20 hours of employment per week over a 2 year period, you will be considered to have completed 12 months of full time paid employment.

TRA may also compare the amount you are paid with award rates or other similar instruments to

verify claimed employment is at the required skill level.

The total employment period you are required to demonstrate is dependent on how you obtained your qualification, i.e. awarded internationally, awarded in Australia through a course of study, or through an Australian Recognition of Prior Learning (RPL) process. Please refer to the table below to determine how many years of employment you require to be eligible for the program.

Qualification	Employment Requirement
Qualification/Award issued internationally or Australian qualification issued through study and <u>not</u> through an RPL process	<ul style="list-style-type: none"> • 3 years full-time or equivalent part-time employment undertaken after qualification was issued
Australian qualification issued by RPL	<ul style="list-style-type: none"> • 3 years full-time or equivalent part-time employment undertaken after RPL Certificate was issued <p>OR</p> <ul style="list-style-type: none"> • 6 years full-time or equivalent part-time employment, which can be a combination of employment undertaken before and after RPL Certificate was issued. For example, four years employment before RPL certificate was issued and two years after certificate issued.

2.3.5. Currency of your skills

To ensure your skills are current to Australian industry standards, your evidence must demonstrate you have worked for 12 months full-time (38 hours per week), or the equivalent part-time in your nominated or directly related occupation within the last three years prior to applying to TRA.

2.3.6. Pay evidence

You are required to provide pay evidence to support your employment claims. The requirements for pay evidence vary and depend on the type of employment undertaken, as specified in the table below. Please note TRA may request additional evidence if your claims cannot be verified.

You are required to upload full colour scans of documentary pay evidence.

2.3.7. Verification of employment

If TRA is unable to independently verify your employment meets our requirements, TRA will not be able to confirm you are undertaking the tasks and duties of the nominated occupation.

TRA is obligated to independently verify information provided in an application. If the employment claims made in the application cannot be verified to the satisfaction of TRA then the period of employment being claimed will not be accepted. TRA will not attempt contact with an employer unless we can first confirm the contact details provided belong to the business.

If TRA cannot verify your employment claims, you may be contacted to provide additional evidence or be asked to obtain further verification of employment from the nominated employer. The employer will need to provide the verification in electronic format directly to TRA.

Please note the provision of a document or other information does not guarantee that your employment will be accepted by TRA.

2.4. Skilled date

To assist Home Affairs with assessing your visa application, TRA will provide a 'skilled date' on your outcome letter as part of your assessment. Your 'skilled date' is determined through an assessment of your employment evidence and how you obtained your qualification.

If you have a qualification issued internationally or gained an Australian qualification by study, the 'skilled date' will be the date the qualification was issued.

If you obtained an Australian qualification through RPL, your 'skilled date' is from when you completed your first three years of verifiable, eligible employment in your nominated occupation. (TRA considers the first three years as being an informal training period.)

2.5. Assessment outcome

You will receive notification of the outcome of your MSA application by email following the assessment and verification process.

If your assessment is successful, the outcome letter can be presented to Home Affairs as part of your visa application.

If your assessment is unsuccessful, the outcome letter will provide you with the reasons for the outcome and information regarding the review process (see Section 2.7).

MSA applications are generally finalised within 120 days from your online submission. Processing time may vary and are dependent on the volume of applications received and the complexity of the verification processes. In some cases, the processing time is extended due to the time taken by external sources to respond to our request for verification.

Applicants are requested to allow sufficient time for assessment as visa deadlines are not a reason for expedition of an application.

A news item will be published on the TRA website if there is an increase to estimated timeframes.

2.6. Review

If you disagree with the outcome of your assessment, you have 90 days from the date of your assessment outcome to apply for a review. A review will only consider information submitted in your original application. Any additional evidence to support your application must be submitted in a new application. Your outcome letter will contain information about how to apply for a review.

Please note, a review will only be conducted if you believe TRA has incorrectly assessed the information you supplied in your original application. You cannot provide any additional evidence to support your original application, nor can you ask TRA to consider factors not set out in your original application.

If you wish to provide additional evidence or ask TRA to consider other factors, you must apply for a new assessment. In submitting a new application, you must resubmit all evidence previously supplied and include any additional evidence you wish to claim. Any new application will require payment of the associated application fee.
