

Job Ready Program Employment Verification Report Welder (First Class) [322313]

The Trades Recognition Australia (TRA) Job Ready Program (JRP) is a four-step employment-based skills assessment program that provides international student graduates with the opportunity to demonstrate their skills and job readiness in an Australian workplace, relevant to their nominated occupation before they apply for migration to Australia.

TRA is required to check whether the workplace and employment arrangements provide sufficient opportunity for a participant to develop skills in their nominated occupation. To assist with this process, the participant's employer and/or supervisor must complete this Employment Verification Report (EVR).

You are receiving this form because you have an employee applying for, or currently participating in, the Job Ready Employment (JRE) step of the JRP. This EVR forms part of the participant's employment registration requirements for the JRE, which cannot be processed by TRA without the completed form.

What is the participant's role in the JRE step of the JRP?

- complete 1725 hours of paid work relevant to their nominated occupation over a minimum of 12 months from their JRE Start Date
- demonstrate their trade skills in an Australian workplace and work under the supervision of a suitably qualified person who has industry knowledge and experience in their occupation
- provide TRA with completed EVRs, Skills Progress Reports (SPRs) and pay evidence after 6 months from their JRE Start Date (or as required)
- undertake a Job Ready Program Workplace Assessment (JRWA)

What is the employer's role in JRE?

- provide the participant with appropriate trade level work under standard employment arrangements
- nominate an employee skilled in the occupation to supervise the participant
- sign-off on the participant's Skills Progress Report
- allow an assessor to carry out a JRWA in the workplace, if required

What is the JRWA?

A JRWA is conducted by an assessor from a TRA-approved Registered Training Organisation. The purpose is to determine whether the participant is working at the required skill level in an Australian workplace for their nominated occupation. The assessment will focus on the activities the participant has been performing during their employment, as recorded in their SPRs and this EVR. A JRWA may be conducted in the participant's workplace or as a technical interview.

As a part of the JRWA, the assessor will contact you to provide feedback on the participant's skills and work arrangements. The participant is required to advise their employer or supervisor when they have applied for their JRWA.

Instructions on how to provide the completed EVR to TRA

The EVR must be completed and signed by the employer and nominated supervisor, if applicable. The participant must upload the completed EVR in the TRA Online Portal at the time they submit their JRE application or register a new employer.

If you have any questions about this form or the JRP please visit www.tradesrecognitionaustralia.gov.au or email jrpenquiries@dese.gov.au.

Section Three: Task Performed

The table below contains a series of questions about the work the JRP participant may do in your workplace in the nominated occupation of a **Welder (First Class) [322313]**. You should complete the tables by indicating the tasks and duties the participant will undertake or will have opportunity to undertake; the tools and equipment they use; and how the work involved others (such as other workers or supervisor).

It is important that your responses relate to the work being undertaken in this workplace. An assessor will use the EVR when they conduct the JRWA to determine if the participant is working at an appropriate skill level.

Welder (First Class) [322313]: Fabricates and repairs metal products using various welding techniques. They assemble metal fabricated products such as structures, frames, plate and sheet assemblies, pipe-work and vessels using welding techniques. Welding techniques may include welding ferrous and non-ferrous metal plate or sheet.

Please tick (✓) the trade skills demonstrated by the JRP participant. Each question must have a response: ‘Yes’ (Y), ‘No’ (N), ‘Not Yet’ (NY), or ‘Developing’ (D). You can provide more information in the comments column.
