Introduction

This user guide outlines the steps to follow when applying for a Trades Recognition Australia (TRA) skills assessment for the TSS Skills Assessment Program (TSS Program), Offshore Skills Assessment Program (OSAP), and Trades Recognition Service (TRS).

Selecting a TRA-Approved RTO

When applying for any of TRA's programs, you are encouraged to read the relevant Applicant Guidelines on the TRA website (www.tradesrecognitionaustralia.gov.au).

The first step in the TSS Program, OSAP or TRS is to select a TRA-approved RTO to conduct your skills assessment. This can be done using '[RTO Finder](#)' on the TRA website.

Once you have selected a TRA-approved RTO, you should contact the RTO to confirm if you are eligible for an assessment, discuss the program requirements, and to find out where the RTO can conduct the skills assessment i.e. the Region and Country where the skills assessment will take place. You must formally accept the location of the assessment before your assessment can be initiated.

If you are eligible, and decide to proceed with a skills assessment, the TRA-approved RTO will provide you with an RTO Assessment Payment Identifier Code (payment code) that you should input into the TRA Online Portal to make payment for your assessment.

Registering an account

You should register an account only after you have confirmed with your RTO that you wish to proceed with an assessment.

You can register an account by using the TRA Online Portal (<https://extranet.education.gov.au/trades/Interface/Pages/Security/Logon.aspx>) and selecting *RTO Assessment Services* located under *Register*.
